Dalian Good Display Co., Ltd

# About Payment Agreement

Dear Customer,

Thank you for choosing our product. Due to the rise in payment e-transfer criminal rates and to ensure payment transfer safety for both of us, please kindly read our Payment Agreement as follow.

The Payment Agreement includes the following statements:

- Our company bank account information..
- The Policy of Bank Account Modification Process.
- Our Alibaba online payment information-Alipay
- Signed Agreement by both payer and payee.
- Company's business documents.
- Contact information of manager.

We highly recommend that you retain a copy for your financial department.

We apologize for any inconvenience that this may have caused you, and we appreciate your understanding as we continue to improve our customer experience!

Sincerely,

General Manager :

(7x24 hours)

Alibaba is the first cross-border B2B neutral third-party transaction guarantee service platform in the world. Trade Assurance Service has many advantages to settle payment and guarantee the transaction security as followed:

1. We promise you that all payment accounts or links sent to you are safe and reliable, so don't worry about the risks in the transaction process.
2. Secure online payment options include e-Checking, credit card and T/T; It is safe, flexible and fast.
3. Once you have successfully paid for your order, you can also monitor the progress of the transaction online in real time. Trade Assurance protects buyers' orders; it minimizes risk by guaranteeing money back in the event of a supplier failing to meet the terms of the order contract - including delivery delays, quality and quantity discrepancies or other processing problems.
4. Trade Assurance applies a credit-rating System that incentivizes suppliers to produce and deliver high-quality goods on time and according to the buyers' specifications.

# Statement
